\$25 Heron Creek Gift Card)

About HCCF

The Heron Creek Community Foundation (HCCF) is a collaboration of Heron Creek Golf & Country Club residents and club members into a philanthropic organization with a mission of financially supporting charitable organizations which serve the citizens of North Port and improving the quality of life within the local community by other nonfinancial activities.

A primary goal of HCCF is to support charitable organizations which are approved by the IRS under Section 501(c) (3). In addition, this goal has a dual aim of currently awarding grants to organizations while also building a donor-advised fund in partnership with Gulf Coast Community Foundation (GCCF). Much like an endowment, that fund is invested so the investment returns provide funding for grant awards far into the future.

Thus far, HCCF has awarded \$418,000 in grants to local non-profit organizations, and accumulated over \$480,000 in the Donor Directed Fund, which assures HCCF will be able to make grant awards far into the future.

11th Annual Golf Tournament
